Property lease. All future inspections cancelled.

Nestled into the quiet side of this low-rise block this over-sized four bedroom apartment is a rare find. Large windows allow light to cascade in and provide a comfortable home lifestyle with a flexible floor plan of over-sized bedrooms and an ample amount of storage.

- North facing with an abundance of natural light
- Brand new carpet in three of four bedrooms
- Main bedroom with floorboards, expansive mirrored built-ins and private balcony
- All bedrooms with built-in wardrobes and blinds
- Combined living and dining space flows through to private, sunny balcony
- Family-sized kitchen with dishwasher and a plethora of storage
- Main bathroom with separate tub and shower
- Second bathroom recently updated with new sink and shower
