With respect to the government's easing of restrictions around open homes, but in a continuing effort to help stop the spread of COVID-19, we will conduct our scheduled open homes and onsite auctions with social distancing and hygiene protocols in place. We will also continue to offer private appointments and our auctions online for those who prefer that method. Please contact the listing agent for more information.

Focused on contemporary style in the architectural 'Jewel' community, the sleek design of this one-bedroom plus study residence provides the ideal environment for easy low care living. It showcases a designer feel and has been cleverly crafted to create a light filled home of space and privacy with elevated glimpses to the water.

- Generously proportioned with a bright open plan design
- Large covered balcony includes an outdoor dining space
- An elevated position that captures a view over the water
- Spacious bedroom with built-in and access to the balcony
- Separate study area that could be used as a guest bedroom
