NEUTRAL BAY 4/11 Thrupp Street

3 1 1

This signature 95sqm three bedroom art deco apartment is conveniently positioned in the heart of Neutral Bay, just minutes to Hayes St Ferry Wharf.

The period mantelpiece in the living room, combined with the hand painted hallway walls and luxurious light fittings creates a wonderful ambiance upon entry.

The large separate dining room, accessed through period doors, includes a well planned galley style kitchen which was been recently updated and an additional second entry to the property.

The three bedrooms all face the rear of the property away from the street and are close to the bathroom and separate WC. There is an internal laundry, air conditioning, built-in robes (master), individual ceiling mounted lights and security intercom.
