SYDNEY 902/21 Alberta Street

 2  1

Stepping into this top floor split level apartment in the heart of the city gives you the feeling of living in a New York loft. One of only 17 in the Alberta building, this 120sqm apartment offers city living at its best space and location.

This light and bright apartment faces west and features two full size bedrooms with mirrored built-ins plus a large study which could easily be used as a 3rd bedroom or home office. The full size bathroom boasts an oversized shower with twin shower heads, hidden laundry and high ceilings. The open plan kitchen, living and dining area looks out onto floor to ceiling windows and one of the two balconies. Equipped with electric shades, you can choose the ambiance you desire throughout the day.

The architectural interior design of the apartment makes the most of the every square metre and really gives this property an edge. The exposed concrete and steel is blended with wood to give a warm feeling which is further enhanced by the large open staircase and use of glass to ensure the light filters
