Benefitting from modern design and finishes this home is defined by well planned proportions which allow for comfortable living. The accommodation consists of an open plan living and dining area which flows onto a sunlit balcony. The modern kitchen is of grand proportions and is a joy to cook in, plenty of solid bench space, modern appliances and gas cook top. Two large bedrooms both with built in robes offer great space and storage, A special feature is the large ensuite and private balcony servicing the master bedroom which allows for additional comfort and convenience.

The property is situated moments from Westfield Burwood to suit all your lifestyle and shopping needs and has ample transport via nearby bus and railways.

This home has a lock up garage and is finished with floating floors throughout the living and dining area and has a self contained laundry which could be used for additional storage space. This immaculately presented apartment is ideally located and offers the perfect first home for a couple or small
