Rarely is it possible to find an apartment that offers the best location, the finest finishes and stunning contemporary furnishings. One of only four penthouses occupying the top two levels, this brand new apartment has undergone a remarkable interior fit out by a renowned designer.

Expansive 270 degree views are enjoyed across Sydney Harbour, the city, Harbour Bridge and Blackwattle Bay. An internal lift from the living area takes you to your own rooftop/sky garden with heated pool and direct views to the Harbour Bridge. A large outdoor terrace - ideal for entertaining - with built-in BBQ, fridge, bench space and surround sound.

- Open plan lounge & dining with fireplace and wall mounted TV
- Opens to huge balcony with expansive harbour / city views
- Master bedroom with walk-in wardrobes and stunning ensuite
- Equally spacious 2nd and 3rd beds with built-ins and balconies
