Leased for \$900/w

Designed by Jackson Teece, this development refurbishes a 1930's Art Deco warehouse building into 11 contemporary multistorey apartments. Over three levels, this apartment features north facing balconies and top floor terraces with stunning city views. A neutral white scheme with touches of black detail is used to capture the graphic nature of the original Art Deco spirit.

- Entry level includes second bedroom with private terrace
- Upstairs to open plan living/dining/kitchen with balcony
- Master bedroom suite occupies the whole top floor
- Large rooftop terrace with district views
- Master also with en-suite walk-in robe
- Great north facing outdoor entertaining areas
- Exceptional natural light and high ceilings
- Integrated Bosch gas kitchen with stone bench tops
- Timber floors throughout
- Internal laundry and ceiling fans
