While the current long-term tenants have to leave early due to an unanticipated work re-location, this has created an amazing opportunity for the next lucky occupant(s) to lease this spacious, bright, split-level sub penthouse - either unfurnished or complete with a high quality furnishings and/or a whitegoods package if preferred. Apart from all the comforts associated with luxury apartment living, you will enjoy mesmerising water views, breathtaking sunsets and the city skyline from both the upstairs private living quarters and the downstairs entertainment areas. You and your guests will also be able to enjoy watching Darling Harbour firework displays - without having to leave the comfort of your own home.
