MILLERS POINT 80 Windmill Street

 4  4

Truly stunning. This unique, one of a kind terrace house has been completely renovated inside and out, optimising natural light and maximising living space.

Spanning over four storeys this spacious four bedroom, four bathroom terrace is a must to inspect.

This rare home is located within Sydneys historic The Rocks, featuring quality contemporary finishes throughout.

Whilst retaining its historic aspect this terrace has been completely renovated to impress.

With four spacious bedrooms with built-in robes, ensuites and amazing views.

Spacious open plan living featuring glass bi-fold doors which stylishly combine the living areas with the atrium courtyard capturing natural light.

The property features a large stunning kitchen with state of the art stainless steel Miele appliances and a huge double door fridge/freezer.
