REV D_10.08.2018

Refer to General Arrangement Plans for specific unit locations, orientation and context. These show all graphics including tubular shafts, glazing units, floor units and the like, should the plan be for sale only. Module locations and operable windows and doors are shown as indicative only, and are subject to change. Ducts and air conditioning units and their locations are shown as minimal and are subject to change. Floor plans are an indicative only and are not to be used for construction purposes. Changes may be made during construction and dimensions, areas, fittings and specifications are subject to change without notice in accordance with the provisions of the contract for sale. The furniture and fittings depicted are not included with, and sale and purchase must refer to the contract for sale for a list of inclusions. The position of furniture and fittings should not be taken to be indicative of final positions of power points, TV connection points and the like. Prospective purchasers must rely on their own enquiries. Backsight for services are not depicted.
