Refer to General Arrangement Plans for specific unit locations, orientation and context. Note that all graphics including balustrades, glazing units, door units and the like should be taken to be indicative only. Window locations and operable window and door units are shown as indicative only and are subject to change. Ducts and air conditioning units and their locations are shown as minimal and are subject to change. Floor plans are as an anticipated build. All internal and external unit area and base are indicated as approximate only and are subject to final onsite survey. Where possible indicate position for each individual fixed unit only. Refer to the General Arrangement Plans for exact window and door positions for each individual unit. Please note that the floor plan was produced prior to construction. The information here is believed to be correct but is not guaranteed. Changes may be made during construction and dimensions, areas, fittings and specification are subject to change without notice in accordance with the provisions of the contract for sale. The furniture and furnishings depicted are not included with and sale and purchase must refer to the contract for sale for a list of inclusions. The position of furniture and furnishings should not be taken to be indicative of final positions of power points, TV connection points and the like. Prospective purchasers must rely on their own enquiries. Bulkheads for services are not depicted.
