With an abundance of natural light, North East and West aspect, and positioned nice and high on Level 8 this apartment combines function, space and open planned living. Truly functional and one of the most sought after floorplans in the building.

- Living and dining areas are generous in space and lead onto an enclosed balcony and outdoor balcony that runs the length of the living room, and second bedroom. Both feature floor to ceiling glass doors with individual access to balcony with views of Darling Harbour, Centrepont and the Anzac Bridge
- Functional kitchen overlooks living areas and features granite benchtops, quality stainless steel appliances that include SMEG four burner gas cooking, oven, rangehood and dishwasher
- Main bedroom features floor to ceiling parallel mirrored built-in wardrobes and is complete with ensuite bathroom
- Second bedroom complete with mirrored built - in wardrobes and with private access to the balcony
- Tandem parking lock-up
